Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- OK to film at Cabrillo Beach.

2/23/11

- OK to film helicopter scene mid air over the inner beach area.
- OK to place scaffolding on inner beach for camera.
- OK to place condor crane next to county headquarters by the swings for camera.
- OK to prep outer beach while filming inner beach area.
- No staking allowed in the sand.
- OK to drive gators on sand.
- OK to use 20 spaces in pier parking lot.

2/24/11

- OK to film Outer Beach area.
- OK for company to have continuation of stunt work.
- OK to land 2 helicopters in the pier parking lot.
- OK to move 5 handicap stalls to unloading zone in front of county headquarters.
- CO. must maintain emergency access on road at all times.
- OK to use areas of parking lot, that were arranged and paid for through Park Services only, for crew cars and basecamp.
- Must abide by all rules and restrictions given by Park Services for use of parking lot.
- Call parking division for vehicle/equipment parking location questions and concerns Roxana Perla (310) 548-7568 or (213) 798-8447.
- Must maintain access for all lifeguard emergency vehicles at all times.
- Must maintain 100% through access for all Emergency Vehicles.
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.

- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permittee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
